Fight on the go with the online Fighter Maker game. 2D Fighter Maker V2.0. Bona Fide An old friend of mine from college told me that he got an offer letter from Google, to an entry-level data scientist position. He got the job! This got me thinking: what is a data scientist? I've read many definitions, but I don't feel like a data scientist is something I'm qualified to perform. How is "data scientist" defined? It can be a set of skills or characteristics in a person, a job title or a position held within a company. It 04aeff104c
